Denise & Alex
Lucky Fucker

As an avid reader of Lucky Fucker myself, and having spent years wondering if I was the unluckiest fucker in the world, I had to write and tell you about the experience I had with a woman who left work recently. She'd been with the company for seven years and was a popular member of staff, so a load of us headed out for a leaving day lunch with her.

Unsurprisingly, it turned out to be quite a boozy affair, with the wine flowing freely as we ate, then a couple of rounds of shots before we left to go back to the office. As Denise was the person who usually handled such things, I was left with the responsibility of sorting out some flowers and a card for her, and when I presented them to her after the dessert had arrived, I felt it was polite to give her a kiss. I turned my head slightly, aiming for her cheek, but she had other ideas, grabbing and turning my face towards hers and smacking me full on the lips – much to the delight of the rest of my colleagues who whooped their approval. I spent the rest of the day being jipped about Denise's display, but if I'm honest I did enjoy it just a little bit. It's not often I'm the centre of attention, after all!

As designated 'department monitor', I'm in charge of our floor, so as usual I was the last to leave the office that night. As I switched the main lights off, I noticed the lamp on Denise's desk was still on, so went over to switch it off. She made me jump, as I wasn't expecting to see her there still. "Y'know, it's very sweet that you can't bring yourself to leave us – what'll it take to get rid of you?" I joked. She really surprised me then, by quite bluntly, replying, "I was hoping you'd give me a real leaving present, Al, if you know what I mean!" I'd never heard her speak like this before – I think the amount of alcohol she'd consumed that lunchtime may have had something to do with it – and as she added a cheeky wink, my dick stiffened instantly. "Are we going to finish off that kiss from earlier, then? I've been thinking about it all day!" she continued, as she slowly got up from her seat, came over and pushed her ample chest into me. For a split second, I felt like it was some sort of practical joke, but as soon as I felt her tongue snake between my lips and explore my mouth.

Within a matter of seconds, I was leaning backwards over her desk as she seemed to crawl all over me; kissing, grabbing, then ripping open my shirt and her own blouse until our bare flesh was rubbing together. I got a pang of guilt about my girlfriend waiting at home for me – the girlfriend that had been on many a drunken night out with Denise – and asked "Are you sure about this, Denise?" Putting her mouth close to my ear and flicking her tongue sexily around it, she whispered, "Don't worry, Anna will never know – I'm simply going to

give you something to remember me by, if that's okay with you?" I wasn't about to argue any further, especially when her soft hands were deftly delving into my boxers, gently scratching my sac with her nails as she lifted my hard prick out.

Kissing me passionately while gently rubbing my cock, I couldn't help but wonder where the mild-mannered girl I'd been working alongside for all those years had gone. As if she could read my thoughts, Denise pulled away and, licking her lips sexily, she dropped to her knees and took one long stroke of my length with her tongue. Teasing the tip of my dick while looking up at me with her big, brown eyes, she then pushed me further back onto the desk and stood up slightly, pushing her large breasts either side of my shaft. With her warm globes wrapped around my cock, she began to move them up and down rhythmically, wanking my cock between them. "This is my speciality," she purred, and she certainly wasn't wrong. As my helmet emerged from the top of her cleavage, her tongue was all over it, sending incredible sensations down to the base of my pole. I'd never had a proper tit-wank before, and now realised why so many blokes went on about them!

I wanted to fuck those tits harder and faster, so I gently pushed her off me and manoeuvred her backwards, down onto the office floor. Straddling her stomach, I shoved my cock back between her mammoth mammaries, and pushed them together so they completely engulfed my shaft. Her boobs were the perfect size for this – not that I'm an expert, of course, but they were big enough to hide my tool – and I relished the sight of her huge orbs enveloping me. Denise had obviously learned a few little tricks in her time, because it felt amazing when she pushed her chin down with her mouth open, until my bell-end started butting up against her tongue. She slurped at it, and my cock carried her spit back over her chest, making her top bollocks all wet and slippery.

Soon I was pounding in and out between them and getting a couple of centimetres further into her open mouth each time. After a few more thrusts, my prick slid easily, and deep, into her mouth, with my balls now between her big tits. This just seemed to do it for me, and I felt my nads tighten as they emptied, spraying spunk everywhere and splattering her tits and her face with as much cream as I've ever managed. She reached round to grab my bum cheeks and pulled me fully into her mouth, sucking the final drops onto her tongue,

her lips covered in white cum as it dripped off her chin.

She looked so horny lying there, big droplets of my gunk adorning her boobs and face, that I admit it's a sight I saved to my mental wank bank – and have jacked off to plenty of times since! I must have been staring, as Denise giggled and began to dip her fingers into the cream and lick it off, before rubbing it into her lovely, pale skin.

Watching her smear my jizz into her mounds was sensational, but when she fed one of her hardened nipples into her mouth to suck it clean, my dick suddenly awoke and it twitched, letting me know it was time for round two. I latched my mouth onto her other nip, rolling it around with my tongue then grazing the tender nub with my teeth. Denise groaned, and somehow managed to lock her legs around my back, pulling my body in towards hers. I yanked up her skirt and was surprised to feel that she wasn't wearing any knickers. My cock naturally found her juicy snatch and I pushed my helmet inside her hole. Denise gasped and clung onto me with her nails, sending me so wild I couldn't help but thrust my pelvis forward as hard as I could, filling her cunt up to the brim and making her squeal, breathlessly.

Her fingers moved down to grab my arse, pulling me in even further (although I hadn't reckoned it possible) and she started to moan, "Ohhh, please fuck me, Al! Fuck me!" It caught me off guard for a second as I thought I was fucking her, but I realised what she must mean and began to go at it hammer and tongs – her screaming increasing the harder I went, urging me on. After a few minutes, though, it crossed my mind that I might have a heart attack if I went on like this much longer, so I stopped and told Denise to get on all fours.

I was happy to catch my breath for a moment as she turned over and stuck her bum in the air, and I couldn't help but notice what a nice ass she had. I got in behind her and fed my manhood into her pussy again, but slower this time. We must've been shagging

"She looked so horny lying there, big drops of my gunk adorning her face and boobs"

like that for only three or four minutes, when we suddenly heard a noise in the corridor at the other end of the room. Jumping like rabbits caught in headlights, we both grabbed our clothes – her pulling her blouse and knickers on at her desk and me dashing, head down, to the back of the room, and into the toilets to get some clothes on.

She had gone by the time I had got myself together, which I was quite relieved about. I passed by her desk to turn her lamp off as I left, only to find that she had left her mobile number scrawled on a notepad for me. I haven't called; I reckon I gave her a pretty good send off, really!

Blue movie got me red hot

After a good session of drinking and porking, my boyfriend and I decided to watch a porno. The film was an excellent one with some really hot girl-on-girl action.

I had never admitted that I would be interested in sex with women, but watching the film had made me so horny. It made me hungry for pussy and I felt I had to tell him.

So during the film I told my boyfriend that I wanted to lick pussy. He was surprised and delighted, judging by the big stiff cock that appeared.

I went down on him, sucking hard as I took him deep in my throat and licked his hard cock from top to bottom. I showed him what I would do to a girl's love bud with my tongue, flicking it over the end of his cock.

As I tasted pre-cum glistening on the end of his knob, he asked me if I wanted a girl to lick and suck my clit. I moaned at the thought of a girl's tongue licking me.

I felt so excited I wanted to feel my tits rubbing against hers (whoever she might be). I wanted to pour baby oil between them and slide up and down her body, licking and kissing all the way.

"He thrust the vibro into my pulsating hole alongside his cock"

I wanted my boyfriend to watch me go down on her and fuck me from behind while I lapped at her beautiful sweet pussy.

At the thought of this my boyfriend threw me off and turned me over, pushing his stiff cock into me from behind. I was so wet and ready for him.

As he pushed stridently in and out of me, my body was trembling with the thought of pussy on my face. He slapped my arse and called me a dirty little tart. I asked him if he was glad I was and he shouted his approval. He reached for my favourite vibro and thrust it into my pulsating hole alongside his cock.

I squealed with delight as I imagined I had two cocks

for more, so he turned me over and went down on me.

He moved his tongue over my lips and as it danced over my clit he told me that was what I wanted a girl to do.

I wanted his cock in my mouth again so we moved into a sixty-nine and licked and sucked until I came all over his face.

He took his cock from my lips and shot out hot creamy cum onto my tongue and all over my face.

I was so excited to have finally shared my fantasy with him. We were so turned on by our revelations that we picked up our favourite copy of *Razzle* and looked at the pussies I wanted to lick.

As usual there was a luscious selection. The thought of it made my clit twitch in anticipation of feeling that soft pussy with my lips and tasting it with my tongue.

It soon had me frigging my pussy. My fingers were a blur as my pussy came and came again at the thought of all he dirty things I wanted to do.

We decided to send in some pics and share our fantasy with *Razzle* fans. We can't wait to hear from all you dirty readers who can maybe make our fantasies come true!

inside me. As it buzzed his dick pushed deeper and deeper inside me.

He said he wanted to fuck me from behind while I sucked another man's cock. I felt so horny and naughty relishing the thought of having another man's cock in my mouth.

His cock slid in and out until we both reached an orgasm that made me cum like I never had before. I was still hungry

TRUE CONF

HOLLIE HAS MORE FUN THAN SHE EXPECTS DRESSING UP ON A DIRTY WEEKEND

A few weeks ago, I finally reached the grand old age of 21!

My boyfriend Saul and I have been going out with each other for well over a year now, so I was looking forward to getting a nice present – and had been dropping hints about a jacket I'd seen for ages! We were going down to stay in Brighton for the night, and we'd arranged for him to come and pick me up from my place. I was pleasantly surprised to be handed a beautiful bouquet of roses upon his arrival, as well as a neatly wrapped gift, which appeared to be some sort of clothing. He'd got me the jacket!

However, when I tore off the wrapping paper, my heart sank to see a nylon nurse's outfit, complete with plastic stethoscope and hanky-like hat, with a cheap red cross stuck on it. Annoyed doesn't quite cover how I felt! Needless to say, the flowers ended up on the bin and the trip was very nearly cancelled. Fortunately for him, he's pretty good at winning me over, and two hours later we were off to Brighton – complete with the nurse's outfit.

I have to admit that I found the whole idea of pretending to be somebody else faintly ridiculous, and I felt particularly self-conscious about it. However, when we got to the hotel, Saul jumped straight in the shower while I fixed myself a strong gin and tonic from the mini-bar, and I felt myself begin to relax. Deciding that this was supposed to be a dirty weekend away, I swallowed my inhibitions, and tried the nurse's outfit on, just for the hell of it. I always wear stockings on a daily basis, so my underwear was naturally suited to the look, and once I had slipped the thin material over my head, I contemplated myself in the mirror.

The dress was so short that it just skirted my arse, so you could see the straps of my suspender belt disappearing underneath it. It was pretty tight round my tits, and, when I leant forward, it was cut just low enough to give a good eyeful. Looking at myself in the mirror I actually thought I looked pretty sexy, if a little silly. Focussing on trying to look hot, I didn't hear the bathroom door open and got the shock of my life when I turned around, to find Saul standing there, grinning. His skin was glistening wet from the shower and his

cock was standing to attention.

Ignoring his nakedness, I asked as casually as I could, "Yes? Is there anything I can help you with?" Saul grinned. "Well, Nurse, I seem to have a swelling that just won't go down," he said cheekily, completely straight-faced. I smiled, "Well, you'd better lie down on the bed, Sir, so I can examine you…" I was starting to feel a little more confident, beginning to enjoy myself now, the anonymity of the outfit making me feel more inhibited than usual.

Sauntering over to the bed, I leant over him, pretending to adjust the pillow, but really giving him a close-up view of my full breasts under the white uniform. I then turned and bent down, as if to pick something up off the floor, knowing that he'd be getting a great view of my thong disappearing up my crack.

"Right," I said, climbing sexily on the bed and straddling him, "Let's see what we can do about this swelling, then." Taking his prick in my hands, he moaned softly, getting louder as I began to rub up and down. I waited a few seconds before leaning forward to take his length in my mouth. Licking the whole shaft, I made sure that my hands were busy squeezing and caressing his shaven balls.

It felt great to have my boyfriend completely at my mercy, letting me do whatever I liked to him. I really wanted to fuck him, but first I moved up the bed and pushed my fanny in his face, so he could lick my clit through my knickers. My nipples were so hard I couldn't resist squeezing them while Saul's tongue probed my hot little pussy. As I felt the tingling sensation throughout my body, the desire for his dick got a bit too much for me – and I've never been known for my patience!

I clambered off the bed and slowly peeled my knickers off, stripper-style, for Saul's benefit, and drawled, "So, do you know what really naughty nurses like to do?" Straddling him, I continued, "Fuck their patients' big, hard cocks, that's what!" I forced myself down onto his rigid shaft, my juices quickly spreading all over him.

His hands were everywhere, feeling my stockings and up over my arse, his fingers slipping into that hole as well. I glanced over my shoulder at the mirror, so that I could see myself in my nurse's outfit, my stocking-clad legs spread out over Saul's fit body, his huge prick occasionally visible as I bounced up and down on it. The sight of us shagging sent me over the edge and I started to climax; I slammed myself down on to him even harder, feeling waves of intense pleasure shoot through my clit and up my body, causing me to shudder. My pussy muscles clamped around Saul's fat cock as I reached the peak of my orgasm, then released again as I came down, shaking and breathing hard.

Once I'd caught my breath I climbed off, wanting to taste my juices from his straining dick. I can't remember it ever being as rock-hard as this before. I ran my tongue up and down his sticky member, taking as much of it as I could in my mouth and swirling my tongue round the head. He pushed my head off and started to wank himself off, so I sucked hard on his balls, paying attention to each one in turn and driving him wild in the process. I love to see a man pleasuring himself, but I had a huge urge to feel his handsome prick fucking me again. I know I'm a greedy cow! Saul, though, had other ideas, and had decided it was his turn to take control.

He grabbed my hips when he felt me begin to move off him, and ordered, "Look in the mirror!" As I turned my head to face our reflection, he lifted me up off him, so that I could see his cock-geyser spurt up all over my arse and splash everywhere, making a real gooey mess over us both.

Unsurprisingly, Saul completely changed my mind about dressing up for sex, and we now regularly role-play. In fact, I bought a teacher outfit the other day and am planning to surprise Saul later tonight!

"Why should I let the toad *work* squat on my life?" So wrote miserablist Eric Morecambe lookalike Philip Larkin. He would have cheered up if his in-tray had been bulging with a naked and horny secretary Sophie. "I love my work and I want my boss to enjoy his work. I put all callers on hold – while I hold my boss's dick!"

Weekend break fixed sex life

I'm dying to tell *Razzle* readers about the night I had sex with three men and loved it.

My husband Dean took me on a weekend break to the Cotswolds. On our first night, after a long hot bath, I gave him a treat by dressing in a low top, a short black skirt, stockings and no knickers.

I went down to the bar to meet him, sat on a chair and crossed my legs slowly so he got a good flash of my pussy. His eyes popped out of his head and his cock popped out of his trousers!

After about 15 minutes of crossing and uncrossing my legs, we finished our drinks and Dean went to get some more. While he was at the bar I noticed two men smiling at me.

I smiled back and when I told Dean he told me they probably knew what I was up to, which made me even more horny.

After a few more drinks my dress had ridden up above my stockings and the two guys had moved closer for a better look. I shifted in my seat and opened my legs directly at them.

I was so excited that my clit was throbbing and my pussy juice was flowing as if I'd wet myself. I told Dean how horny flashing at two strangers had made me.

"I was so excited my clit was throbbing and my pussy juice was flowing"

He asked me if I wanted them to join us at our table, and I eagerly agreed. When he got the next lot of drinks, he invited the two blokes over for a drink.

Their names were Nick and Steve and they were staying in

the hotel on business. They sat either side of me and as we drank we got along fine, talking mainly about sex.

After a while I felt a hand on my knee. I was so horny I opened my legs wider. The hand moved further up my thigh until the fingers were touching my pussy.

I leaned back a touch and moved onto the edge of the seat. I felt a finger working its way up my cunt as far as it could go. Then I felt a hand moving up my right thigh.

Soon I had three fingers probing my love hole.

We hastily adjourned to our hotel room and as soon as the door was closed Dean had my tits out. Nick sucked on one while Steve sucked the other and fingered my cunt.

I asked Nick to finger me as well. As my legs started to shake I threw my head back and let out a cry of ecstasy as I came for the first of many times.

I licked my juices off Steve's fingers before kneeling down between him and Nick. I released their cocks and I couldn't believe the size of Nick's prick - it was huge!

I started to suck on it greedily, taking both cocks in my mouth at the same time. I was on the bed gobbling away at Steve and Nick while my husband fucked me doggy-style.

Dean was shafting me so hard his balls were slapping against my arse. It wasn't long before he was ready to cum, jerking his spunk all across my back.

Then Steve got into a 69 with me on top. I was sucking him off while he licked my clit. Then I felt Nick enter me from behind.

It was fantastic being fucked and sucked at the same time.

We carried on fucking long into the night. We enjoyed it so much we can't wait to do it again. *Razzle* readers will be the first to know when we do!

Danielle, Surrey

The bigger, the batterer

"She breathlessly told me she wanted a cock in each end. How could I say no?"

I had always fantasised about watching my girlfriend Mia fuck another man's big cock but I didn't think she'd be up for it.

Little did I know she shared the same fantasy. It all started one Saturday afternoon when I was fucking her in her favourite position, doggy-style.

She started fantasising about big cocks. Hearing her talk like that made me fuck her even harder and we agreed to make it happen for real.

That night we went into town and found a packed bar with a good selection of available cocks. Mia was wearing her favourite see-through short dress.

With no knickers on, a freshly shaven pussy and 34D boobs popping out everywhere, I knew she couldn't fail to pull whoever she wanted.

After a couple of drinks Mia disappeared into the crowd to find our man. She returned after ten minutes and introduced me to Frankie, a 40-year-old bloke she said had a big cock.

I asked him to sit down next to Mia and within seconds she had her tongue down his throat and her hand on his cock. My cock was rock-hard as I watched in disbelief.

I suggested we go somewhere else so we left the bar and turned down the first alleyway we came across. Mia dropped to her knees, tugged Frankie's trousers down and flopped his cock out.

She was right, it was huge

she came all over his hand. By this time she was gagging to have his big cock stuffed up her and she was so wet that Frankie had no problem getting it in.

At first the size of it hurt her as he penetrated her deeply, but it wasn't long before she was begging Frankie to ram it up her harder and deeper.

Frankie wasn't one to argue and gave her the hardest fuck he could, his big knob sliding deep inside her tight cunt.

Mia then turned to me and breathlessly told me she wanted a cock in each end. How could I say no?

– by far the biggest I had ever seen. She lowered her mouth over it and proceeded to suck him off frantically, licking his shaft and balls.

It wasn't long before Frankie shot a big load of jism down her throat. Mia couldn't get enough of it and stuck her tongue down his barrel to lick

"She stuck her tongue down his barrel to lick up every last drop of his jism"

every last drop.

I was now furiously wanking my cock as I watched Frankie wrench up Mia's dress, revealing her suspenders and swollen snatch.

He then ripped her bra off and her massive tits with huge erect nipples burst out. Frankie turned Mia so she was facing the wall and she opened her legs wide.

Frankie accepted the invitation and rammed his fingers up her cunt and arsehole.

It wasn't long before

As she neared climax, Frankie fucked Mia harder and she sucked me deeper. When she came she let out a cry that could be heard for miles.

Next Frankie shot his load up her snatch before I pulled out and fired my spunk over her pretty face.

We thanked Frankie and he disappeared into the night, probably wondering if it had all been a fantastic dream.

I was worried later that Mia wouldn't be satisfied by my smaller cock. I needn't have worried – she just loves cock!

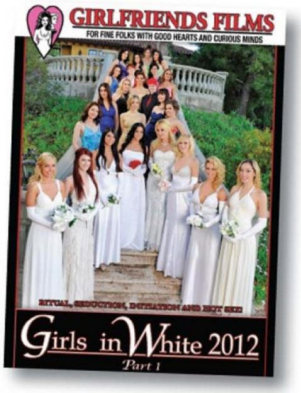
Movies For The Missus...

Girls In White 2012 Part 1



Released by: Girlfriends Films (2012)
Starring: India Summer, Dana DeArmond, Dani Daniels, Cassandra Nix, Zoey Holloway, Syren De Mer, Angela Sommers, Cherie DeVille

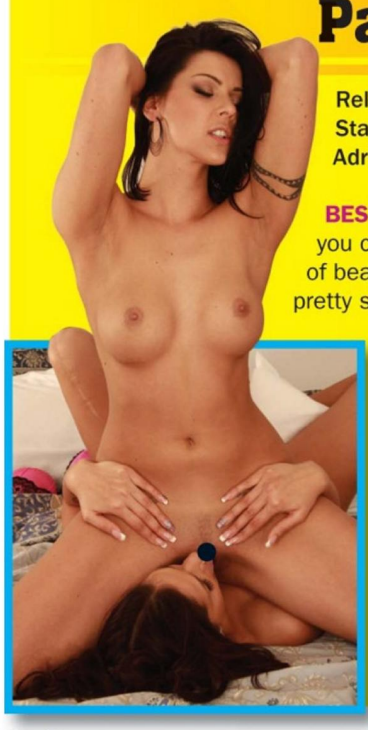
BEST BITS: Girlfriends Films have made a huge name for themselves by making 'real' lesbian porn that features actual lesbians (often casting partners of the stars themselves) – the result being some pretty fucking hot chemistry on-screen. But just because GFF are the leaders in porn for women, it doesn't mean that us blokes won't enjoy it. The *Girls In White* series has been around for yonks and the format hasn't changed – sexy cougar seduces young, hot bean-flicker – but, as they say, if something ain't broke, don't try to fix it. There isn't a weak moment in the movie, however the delectable Dana DeArmond and newbie Angela Sommers' bedroom romp (*left*) shines, with the apparently nervous youngster being overcome with lust as the chemistry between the two heats up.

WORST BITS: There are only four scenes on offer here, they all take place on a bed, are all romantic and dreamy, and all are simple girl-girl pairings. As much as you may enjoy watching lesbo fucks, there are only so many you want to watch in a row. Variety's the spice of life, don't you know...

3.5/5

DVD FEATURES: A short featurette of the GFF stars, promo reel, trailers.

Passion



Released by: Viv Thomas (2013)
Starring: Cindy Hope, Zafira, Paige Turnah, Samantha Bentley, Nicole Smith, Adriana Rouso, Cipriana, Sabina Taylor, Sophie Lynx

BEST BITS: If you think your wife has more of a penchant for lesbian grot, you can do no better than Viv Thomas' work. With the usual high standard of beautiful Eurobabes, the five scenes that make up *Passion* contain some pretty sexy rug-munching action and kissing so sensual that you know the girls' chemistry is real.

WORST BITS: Not the best VLT production we've seen, unfortunately. Every scene is a duo and it would've been nice to see a threesome, if only for a bit of variation. Plus, not one single toy was used throughout – a strap-on wouldn't have gone amiss – and there's only so much that fingers and tongues can do!

3/5

DVD FEATURES: Trailers.

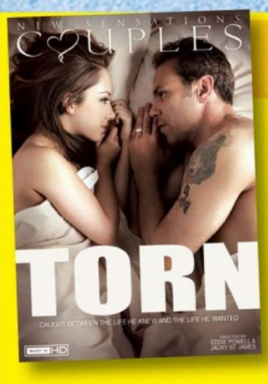
OOOAAR!



Torn

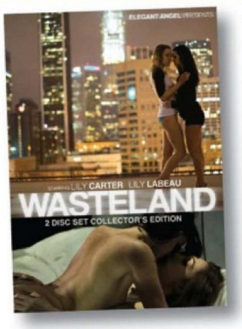
Released by: New Sensations (2013)
Starring: Remy LaCroix, India Summer, Raylene, Samantha Ryan

BEST BITS: As a movie written and made with couples in mind, this multi-award winning blockbuster is a must. The plot – which sees a married man embark on a passionate affair with the younger, and extremely hot, Remy LaCroix – flows seamlessly and is more than enough to keep your woman's loins stirring, but isn't so prominent that it's a turn-off to us blokes. The acting is excellent, the sex realistic and graphic enough to keep you both interested.

WORST BITS: If you're into gritty or acrobatic sex, you'll be sorely disappointed with this romantic tale of forbidden love. Also, it may not be a very good idea to stick this on if you're cheating. Just saying...

DVD FEATURES: A 30-minute behind-the-scenes featurette, eight trailers.

4.5/5



Wasteland

Released by: Elegant Angel (2012)
Starring: Lily Carter, Lily LaBeau, Liza Del Sierra, Tiffany Doll, Sarah Shevon, Proxy Paige, Daisy Sparks

BEST BITS: High-end feature porn at its very best. The storyline is simple but effective: two friends, played by the stunning Lily Carter and equally-beautiful Lily LaBeau (*below*), reconnect after five years to find they have both changed, but become (very) close through a series of sexual exploits. The acting is of the highest calibre, the script is interesting and the sex is consistently high-energy and varied. As well as erotically intense lesbian trysts between Lilly L. and Lily C., there's a fierce final orgy including six guys and Lily Carter being made airtight. *Wasteland* really is one of the best feature pornos we've seen, full stop.

WORST BITS: None. Really, none.

DVD FEATURES: BTS featurette, interviews, deleted scenes, awesome bonus scenes. podcasts, trailers...

Emma doesn't need a kilometre of sticky tape to keep us attached to ogling her super FF-cups and glorious little rabbit's nose. The only ribbons of sticky stuff we need are the ones that will be flying out of our cocks. "Ooh yeah, that's it! Tie me up and use me as a target for your cum jets!" begs the luscious Leigh-on-Sea girl.
